REMARKS

Claims 1-29 remain pending in the present patent application of which claims 1, 15, 28, and 29 are the only independent claims. Claims 1-14 and 28 stand withdrawn in response to the Restriction Requirement dated February 18, 2005. Claims 15-27 and 29 remain pending for further prosecution on the merits.

Applicant amended claims 15-27 and 29 to more clearly define the present invention. No new matter has been entered. The Preliminary Amendment will not unduly interfere with Examiner's preparation of the first Office Action on the merits because the Preliminary Amendment has been filed prior to the preparation of the first Office Action on the merits. Therefore, Applicant respectfully requests entry of the Preliminary Amendment.

No fee is believed to be due for the submission of this response. If any fees are required, however, the Commissioner is authorized to charge such fees to Deposit Account No. 09-0458.
